## Accepting a Place in a Graded Team: Terms and Conditions

Your child has been offered a place in a Balmain and District Football Club (**BDFC**) graded team (the **Graded Team**) for the **2027 Winter Season** and, as part of that offer, a place in the BDFC Development Program (the **DP**).

The DP fee for the **2027 Winter Season** is **$620 per child**, payable in two instalments of **$310 each**.

Please read these Terms and Conditions carefully. Payment of the first instalment confirms your acceptance of them.

### Payment

The first instalment of **$310 (50% of the DP fee)** is payable when you accept the offer. It reserves your child's place in the Graded Team and the DP.

The second and final instalment of **$310 (the remaining 50%)** will be automatically debited from your nominated credit card **60 days after the first instalment is paid**.

You must ensure that sufficient funds are available through your nominated payment method when each instalment falls due. If either instalment is not paid, your child may be unable to take up their place in the Graded Team or participate in the DP.

A separate fee is also payable for Winter Registration. This is covered in the **Winter Registration and Divisions** section below.

## Winter Registration and Divisions

The **$620 DP fee covers participation in the Development Program only**. It does not include registration for the **2027 Winter Season** or the associated fees.

To participate in the Football Canterbury competition, you must also complete a **separate registration for the 2027 Winter Season** for your child. This must be completed in January 2027.

Winter Registration fees for the 2027 season are yet to be determined. For reference, fees for the 2026 season were **$270 for Under 8s to Under 12s** and **$330 for Under 13s to Under 18s**. Under 13s received a one-off **$30 discount in 2025**.

Information about 2027 Winter Registration will be published on the BDFC registration page when ready.

For Winter 2027, most **Graded Teams** are expected to compete in **Division 1 or Division 2**, with the majority in **Division 1**. However, divisions will not be confirmed until Football Canterbury finalises them, which is expected in early March 2027.

## Withdrawal and Refunds

If you wish to withdraw your child from the DP, please notify the Development Team in writing at development.team@balmainfootball.com.au as soon as possible.

The first instalment is **non-refundable**. If the second instalment has not yet been collected, it will not be charged. If it has already been collected, it may be refunded, in whole or in part, at the discretion of the Development Committee. The Committee will consider factors including whether a replacement player can be sourced.

If BDFC is unable to provide the offered place in the Graded Team, the DP, or both, all DP payments you have made will be refunded in full. This does not apply if you withdraw your child from the DP.

## Wet Weather and Outdoor Training

If the usual training ground is closed, sessions may be moved to an alternative ground where available. Any change of location will be advised as soon as practicable. If outdoor training cannot go ahead, alternative online theory sessions will be provided.

The DP fee will not be adjusted if outdoor training cannot take place, including when playing fields are closed because of wet weather.

## Changes to These Terms

BDFC may amend these Terms and Conditions from time to time. Any material changes will be published on the BDFC website or notified to participants.
